OUR MISSION ENDURES

2025 will mark our 53rd year of connecting major global and local organizations with competitively viable minority-owned enterprises. Since its creation in 1972, the Capital Region Minority Supplier Development Council (CRMSDC), has worked tirelessly and diligently to promote the growth and competitiveness of our regional economy.

We are thankful for our relationship with your organization. We are honored that you have supported us and believe in our mission. **Our focus is to continue to add value for you and to seek new ways to support the goals of your organization.**

The purpose of this package is to provide you with the opportunity to continue your support of CRMSDC. In the past couple of years we have deployed our Business Tour segments with our “Get on the Metro” and “Get on the Plane” initiatives. We expanded our reach across regions and provided MBEs with the opportunity to do business with other corporations outside of our region and to introduce them to peers in another jurisdiction. We also have our “Breakfast with the President” series which has featured Erin Chamberlin, Regional President of Caesars Entertainment and Ricky Smith, CEO of the BWI Thurgood Marshall Airport. Our goal is to introduce other CEOs to the organization and to provide our members and suppliers with insights from the top. Our Super Matchmaker Conference proved to be a successful model, because you trusted us to get it right. We end each year with an incredible Leaders & Legends celebration at the beautiful MGM International Resort.

Your financial commitment is essential to the support of our programs. As a member, CRMSDC helps you to enhance, market and advance your minority development program by providing you with access to a pool of certified and qualified minority businesses. It also entitles you to numerous opportunities to network with your peers and take advantage of supplier diversity related offerings from our regional affiliate and the National Minority Supplier Development Council.

I hope you take the time to learn about the sponsorship or partnership opportunities available for 2025. When you are submitting your annual budget, we ask that you think of us and include a generous line item to further ensure our success.

Thank you again. We look forward to your commitment to the region’s most successful supplier diversity and inclusion organization!

Sharon R. Pinder
President & CEO, CRMSDC
